

SAMANTHA SANDBROOK ART & INTERIORS INC I STILL LOVE YOU

Can it be? After all these years?

A spouse, a long-term mate, an old flame, a family member long unseen, this graffiti-laden, multi-layered lucite heart - the word "Still" is embedded twice for added emphasis - is a reminder that love can dance hand in hand for a lifetime.

Specs: 23" silkscreened heart-shaped lucite wall sculpture with embedded paint
